PRESIDENT'S REPORT

Dr. Williams reported that in the next week she will be attending a National Council board presidents' networking conference call where they will be discussing the NCSBN strategic plan and initiatives for the next several years.

Dr. Williams also stated Phil Dickison, Chief of Examinations and COO for the National Council, will be attending the board of directors retreat in late October. He is looking to hear from nurses across the nation, particularly in education and those preparing students for the NCLEX exam, to provide constructive feedback for future updates to the exam. The new exam is said to be more streamlined but will not be available until 2023.

EXECUTIVE DIRECTOR'S REPORT

Dr. Zickafoose reported that Phil Dickison will be coming to Delaware Technical Community College Terry Campus on May 28, 2020 as a guest speaker for the annual nurse educator update conference.

Dr. Zickafoose shared that she has been elected to the executive committee for the Nurse Licensure Compact as a member-at-large. This position started October 1, 2019 and will be a two year term.

On a recent NLC conference call, Dr. Zickafoose discussed a social violation advisory opinion concerning license suspensions for child support, tax issues, parking violations, or student loans. Delaware enforces the child support suspensions and will place a licensee in suspension status until the matter is closed. The opinion is that the licensee should not be reported to the National Practitioner Databank as this is not in line with other degrees of violations. The problem with reporting these violations is the domino effect of other states disciplining the licensee for the same violation. She stated the NLC Commissioners voted unanimously to accept this opinion.

Dr. Zickafoose reported that Pennsylvania has introduced HB1888 that will authorize the Commonwealth to join the NLC and that Massachusetts had a public hearing on a bill to do the same. New Jersey passed a bill to join the NLC which will take effect August 2020.

The strategic plan involving the initiatives, objectives, and tactics were unanimously approved for the NLC.

Delpros online licensure system has been delayed with no information on a new go-live date.

Ms. Carmody informed the Board of an upcoming nurses speak at Leg Hall through DNA to promote a bill that will cover workplace violence, specifically violence against nurses. She encouraged nurses to speak to legislators to keep the current bill alive that would update the criminal code to make this a serious offense.

Ms. Carmody also stated that during a meeting in Washington D.C. in September, she learned that life insurance companies will not offer life insurance to those nurses who answer yes to carrying narkan. She felt that this could be an issue in the future and should be worth monitoring.

ADJOURNMENT

There being no further business before the Board, Ms. Kaza moved, seconded by Ms. Gomez, to adjourn the meeting at 11:32 a.m. The motion carried unanimously.

Respectfully Submitted,

Meredith Hurley
